How to Use This Index

This index is a guide to articles appearing in the *IMF Survey* in 1997. For each article, the heading, date, and initial page number are listed under all appropriate subject headings. Page numbers ending with a "t" indicate tables. Titles shown in boldface and italics are publication titles.

In 1997 the *IMF Survey* featured special issues dated May 12 (Spring Meetings), September 1997 (*Supplement* on the IMF), and October 6 (Annual Meetings).

Page numbers in the *Supplement on the IMF* are indicated in the index by an "S" in front of them.

The index includes supplementary listings of speeches of the Managing Director (page 406) and of IMF publications reviewed (pages 416–417).

Each year's index is included in bound volumes of the *IMF Survey*. Volume 27 will be available for $89.00 from Publication Services, IMF, Washington D.C. 20431, U.S.A.
